

LAHEY NeuroRefresher Course

Waltham Woods Conference Center
Saturday, April 11, 2026

Please join us for our annual Lahey NeuroRefresher Course, a multidisciplinary CME-accredited teaching event tailored for Primary Care Physicians (PCPs) and General Internal Medicine (GIM) specialists in New England!

This year's program has been specifically refined to bridge common knowledge gaps between primary and specialty care, focusing on practical, case-based approaches to high-prevalence scenarios such as acute and chronic headaches, stroke updates, dizziness, and complex back pain management.

Experts from Lahey's divisions of Neurology, Neurosurgery, Psychiatry, and Neuroradiology will provide targeted, high-yield information to highlight "red flags" for urgent neurological issues; explain typical imaging findings, and discuss current treatment options, from conservative management to neurointervention.

We hope this symposium will enhance your diagnostic skills, bridge knowledge gaps, and foster stronger collaboration between community providers and specialists.

Organizers: Drs. Krings, Srinivasan, Ghogawala, Kunst, Aquino, Cahill and Winger

Target Audience: PCP, GIM and ED Physicians, Neurology, Neurosurgery, Radiology

Registration: lahey.cloud-cme.com

Fees: Non-BILH Physicians \$200; Non-BILH NPs/PAs:
\$100 BILH- Physicians: \$100; BILH NPs/PAs: \$50

April 11	2026	LAHEY NEURO-REFRESHER COURSE @ Waltham Woods	
StartTime	EndTime	Theme / Presentation	Moderator/Speaker
		NEUROLOGICAL RED FLAGS & EMERGENCIES	Timo Krings
8:00 AM	8:20 AM	Acute Headaches - When it is not just a migraine	Marcey Osgood
8:20 AM	8:40 AM	Dizziness and Vertigo - When is it serious?	Matt Tilem
8:40 AM	9:00 AM	Update on Ischemic Stroke What do current studies say	Sid Sehgal
9:00 AM	9:20 AM	Neuroimaging of Stroke	Reza Haimelahi
9:20 AM	9:40 AM	Neurointervention and Stroke	Emanuele Orru
9:40 AM	10:00 AM	Case-Based Approach: Sudden weakness, Thunderclap Headache, Acute Confusion	Sara Fardin
10:00 AM	10:30 AM	COFFEE BREAK	
		INTERDISCIPLINARY BACK PAIN MANAGEMENT	Zoher Ghogawala
10:30 AM	10:50 AM	The Neuropsychological Perspective	Patrick Aquino
10:50 AM	11:10 AM	Back Pain and Spondylolisthesis	Robert Whitmore
11:10 AM	11:30 AM	Back Pain and Modic-type Changes	Brenda Lee
11:30 AM	11:50 PM	Back Pain and Osteoporotic or Pathological Fractures	Neil Patel
11:50 AM	12:00 AM	Discussion - Which patient to send where?	All Panelists
12:00 PM	1:00 PM	LUNCH BREAK	
		COMMON NEUROLOGICAL PROBLEMS IN PRIMARY CARE	Jayashri Srinivasan
1:00 PM	1:30 PM	The "essential neuro exam" for busy clinicians	Jayashri Srinivasan
1:30 PM	2:00 PM	Chronic Headaches and Migraines	Dan Vardeh
2:00 PM	2:30 PM	Seizures or Syncope?	Ritu Bagla
2:30 PM	3:00 PM	Common Drugs with Neurological Side Effects	Diana Apetauerova
3:00 PM	3:30 PM	COFFEE BREAK	
3:30 PM	4:00 PM	Functional neurologic symptoms: how to recognize and approach	Joseph Keating
4:00 PM	4:30 PM	Peripheral neuropathy: practical diagnostic workup	Michal Vytopil
4:30 PM	5:00 PM	Emerging Updates - The Future is Neurointerventional!	Timo Krings
5:00 PM	6:00 PM	Q&A and Wrap up of Day & Social Get Together/Cocktails	

Lahey Clinic Hospital, Inc. is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

LaheyClinic Hospital, Inc. designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits™*.
